Dear Markets workgroup steering committee members,

We are hoping to convene each of the America Recycles steering committees next week (8/5-9) to finalize plans for Resource Recycling, including determining the best way to use our time in New Orleans and developing agendas for those conversations. If you could please get back to me with your availability for a 30 minute call to discuss, it would be very much appreciated! To start us off, the best days/times from EPA's end appear to be:

Tuesday (8/6) after 11 AM **Not available**

Wednesday (8/7) after 1:30 PM **Available**

Thursday (8/8) before 12:30 PM **Possibly available**

Please let the group know if any of those broad timeslots work for you and I will narrow in on a half hour slot for the group on Monday.

Thank you and have a wonderful weekend,  
-Brandon
